INTRODUCTION

By: Sheher-Bano Ahmed

Assalam alaikum. The month of Muharram, as we all know, is a time of reflection, both on the sorrow of Imam Hussain (AS) and his family, and on our own struggles for the upcoming year. In light of this, the Muharram of the monthly newsletter will focus on three themes: reflecting on our past year, changing ourselves for the future, and most importantly, how the events of Karbala can help shape our reflections of the past and future.

A MESSAGE FROM LADIES VOLUNTEERS

ladies, as we all know, we've stepped into the fall season and winter is around the corner. Temperatures are dropping and days are getting shorter. I suggest you keep your wind breakers handy and set yourselves up for the month of Muharram.

Let's formulate an objective for Muharram 2019: Practice patience (sabr) and conduct community services for the sake of Almighty Allah alone. Usually it is best to take the high road and walk away from any situation that can provoke you in a negative manner.

Remember: we are all together under the umbrella of our present Imam (ATF) and he is watching us and has certain expectations from us.

WALL OF FAME

- One momina's idea regarding Quran boxes was approved and adopted by the ladies' committee.
- Two mominaat gave a helpful hand in decorating the Hussaini Centre in preparation for the milaad on the 26th of August.

May Allah bless them for their efforts!
